The Arizona Housing Association (AZHA), representing the factory constructed housing industry, is pleased to showcase the latest in home design on display at the Arizona State Fairgrounds, 19th Avenue and McDowell Rd., from October 12 – November 4, 2007. Not only can thousands of visitors daily enjoy the fair, but they can also tour a brand new fully decorated home on display right here!!

The state-of-the-art 2,423 square foot, 3 bedroom/2 ½ bath Energy Star home features all the conveniences of modern living, including a recessed courtyard entry with deck, an open activity room, and a deluxe kitchen with modern appliances, hard surface countertops, and deluxe hardwood cabinets. The home features 9-foot flat ceilings, tall 80-inch vinyl dual-glaze Low-E windows, 2" x 6" exterior walls and an attractive and durable exterior.

Industry representatives will be on hand daily to discuss the almost endless options available, including exciting new exteriors, designer features and flexible floor plans, custom interior options, energy-efficient design and construction. For more information about the many financing options available, including FHA/VA and Conventional financing, please visit our website, www.AZHousing.org.

Visitors are encouraged to visit the website for more information about today's housing options: how they are constructed, where to locate your new home, financing options, even decorating ideas.

The Arizona Housing Association is dedicated to increasing home ownership opportunities in Arizona by focusing on customer satisfaction and zoning opportunities. Its membership includes Manufacturers, Retailers, Developers, Lenders, Contractors/Installers, Suppliers, and Brokers of Pre-Owned Homes. AZHA has a legislative and regulatory program designed to protect and promote the interests of the industry and our customers. It also conducts educational programs designed to address members' needs and industry issues.
