

Top 12 Reasons Why You Should Be a Member of the Manufactured Housing Industry of Arizona

United Voice: There is Power and Strength in Unity and Numbers. With your help, we can create a stronger industry where our united voice can have greater influence and affect positive change in public opinion and government regulations. By joining MHAZ, you'll be able to build a better tomorrow for your business.

Up to Date Industry Information: Receive the frequent Arizona Housing Newsletter that keeps members informed of what's happening inside the industry, as well as important MHAZ Member Alerts & MHI Housing Alerts for more urgent news.

Consumer Information & Referral: You'll be listed on our Website – www.azhousing.org – which includes a wealth of information for the consumer. When customers are looking for whom to go to in their area—*you* will be on that list with a customizable member listing that links directly to your company's website.

Member Pricing: Attend the Annual Convention at \$200 less than the non-member price and receive Member Pricing on Newsletter Advertising. Receive member pricing on publications from the Manufactured Housing Institute.

Industry Cooperation: Be listed in the annual Membership Directory of "Who's Who" in the Manufactured Housing Industry in Arizona. Companies tend to do more business with those whom they know and trust, and share a common purpose: the protection, promotion, and improvement of the manufactured housing industry.

Manufactured Housing Institute: MHAZ has delegates that attend the National meetings to obtain accurate and current updates on issues that affect members on a National level, including HUD and new Federal Regulations. Members can take advantage of many of the membership benefits of MHI, including educational classes for Retailers and Installers, as well as new issues related to Dodd-Frank & the CFPB.

Networking & Education: Attend Division Meetings and Annual Conventions where our membership helps to determine the direction of our industry through the cooperation of member companies. MHAZ has Divisions in Phoenix, Tucson, Yuma, Kingman and the White Mountains.

Members Only Resources: Receive access to our Members Only Resources where you'll find valuable information, including: Important Industry Updates; Calendar of Events; Newsletter Archives; Downloadable Forms & Publications; Industry Statistics; and more...

Public Relations: The MHAZ is dedicated to Promoting our industry with Positive Publicity and Industry Awareness to increase the sales of new homes and to improve the image of our industry and consumer perception of the great quality and value of Today's Manufactured Homes.

Industry Information and Referral: Our Staff is here to help you with any questions you may have and provide referrals when necessary. We are committed to making your membership in the MHAZ a valuable resource.

Government Affairs: Our Government Relations & Zoning Committee programs support State and National efforts to **Promote** positive legislation and **Protect** the industry from harmful regulations that affect your business. Our ACT Now! Local Government Relations Program provides our members with Effective Representation at the Local Levels of Government, including Cities, Towns and Counties. Current issues we are uniting against are the Dodd-Frank Regulations and County Zoning Restrictions in many parts of the State.

Political Action: Our Political Action Committee (MHIA-PAC) supports officials who understand our industry and is funded by voluntary contributions from members. MHAZ strongly supports Political Action to increase placement opportunities for our homes.
